This hearing must be conducted in an orderly manner and anyone violating this directive will be asked to leave. All those participating are obligated to tell only the truth. - I. Following the hearing, all parties are dismissed, and a post-hearing deliberation will begin. The Chairman will close the hearing by stating: "Is there any additional information or questions? If not, I would like to excuse all persons except for the Board members so that we can deliberate."

Section 12

The Chairman shall comply with the following procedures to conclude the Conduct Board process:

- A. The Board will first determine what information is clear and will go on to compare and contrast the information given in the hearing.
- B. A decision will then be made stating whether the accused party is “responsible” or “not responsible” for the alleged violation(s). The standard of proof by which decisions are made is met if the proposition is more likely to be true than not true (preponderance of evidence). This is decided by a simple majority vote of the Board members. The Chairman shall only vote in the case of a tie.
- C. The discussion will then shift to the sanctioning phase. The board should look at precedents set from previous hearings. The Board should also take in to account previous violations from the individual or chapter.
- D. The Board should then provide necessary, specific sanctions and provide reasons and outcomes of the proposed sanctions including a timeline for the sanctions to be completed. Sanctions should be graduated and related to the nature of the policy violation. Sanctions should strive to be educational in nature to encourage change in behaviors.

Section 13

The Board will notify the fraternity/individual of the Board’s findings and any sanctions in writing within twenty-four (24) hours of the hearing.

Section 14

Any ruling of the Board may be appealed by the responsible party if such appeal is filed in writing with the Office of Fraternity & Sorority Life within ten (10) days of the original hearing.

Section 15

Any appeal sanctioned from an Interfraternity Council Board hearing will be brought before an appeal board consisting of a representative from the Dean of Students Office, The Director of Student Activities, and the Interfraternity Council Advisor. After review, a decision will be

rendered, based on majority vote of this review board, concerning the sanctions. The review board may not increase sanctions originally imposed by the Board; however, the board may reduce or remove all sanctions relevant to the current review.

Section 16

The President, Vice President, and Interfraternity Council Advisor will see to the enforcement of sanctions jointly. The Vice President will oversee the verification of all documentation presented by the organization in accordance with the Board's decision. If the sanctions are not met by the time designated by the Board, or, if the sanctions are violated, the organization will return to the Board for further review and possible additional sanctions.
